# THANK YOU!

# The Partners We Funded in 2024

Together, with our partners, we supported our Veterans and their families with programs and resources totaling: \$99,000.

Our mission is to meet the needs of York County Veterans while also supporting local nonprofits (the YORKVET Network) that serve them. Through strong partnerships with the York County Department of Veterans Affairs, the YORKVET Network, and local, state, and federal officials, we can address both immediate and long-term needs such as food, transportation, mortgage and utility insecurity as well as mental health, wellness and PTSD therapies. Most importantly, all funds raised stay within York County, where they are used to improve the lives of our Veterans.

- **York County Department of Veterans Affairs**  
**York County Veterans Fund**  
**\$33,000**

Assisting with home, transportation and food insecurity while also funding mental health, wellness and PTS treatments for Veterans and their families.
